Logo

Logo

Logomark

Logotype

The Bay Atlantic University logo has two components: the coat of arms and the university's name.

The University logo reflects the foundation of the University's visual identity. Consistent use of the logo is essential to maintain visual consistency and the value of the Bay Atlantic University brand.

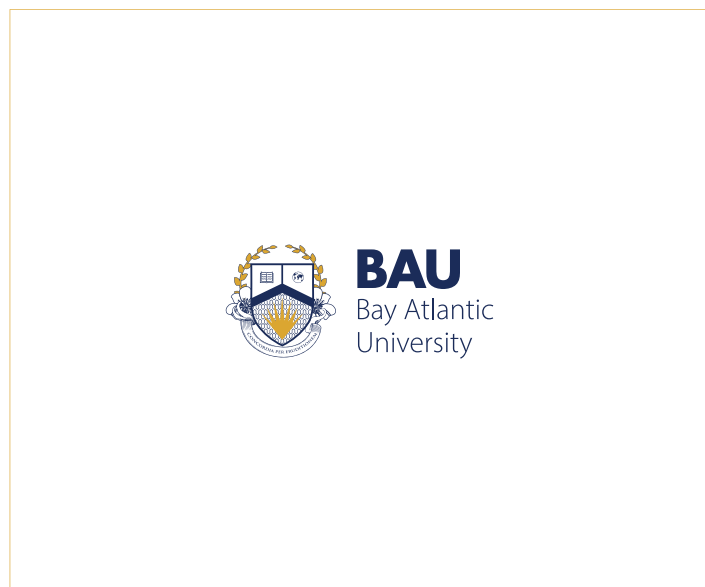

The logo is not suitable for all applications, for example: for highly informal communications.

Guidelines:

- The logo is the property of Bay Atlantic University.
- The logo is used only for official university communications.

- The logo may not be modified.
- The logo should be used in its entirety whenever possible.

Logo Variations

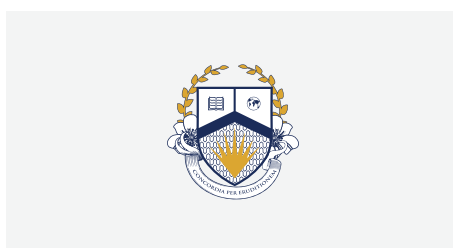

Primary

City-Integrated Logo

Horizontal Logo

Logomark

Logotype

The official Bay Atlantic University logo has 5 different uses: Primary, City-Integrated, Horizontal, Logomark and Logotype.

As mentioned above, the Primary version should be prioritized in Logo usage. For promotional designs, the City-Integrated version should be prioritized. Horizontal version should be preferred in areas requiring horizontal use.

The use of Logomark and Logo type versions is limited and should not be used unless necessary.

Logo Symbolism

Bay Atlantic University's logo sheds light on the history and mission of the university.

Here is the complete meaning of our Coat of Arms and Motto: BAU, from its deep roots in the nation's capital, is engaged in bringing radiant knowledge to the global community in a spirit of peace and respect for all; with the deep conviction that the serious pursuit of education will bring down barriers enhancing good will among nations.

Open Book

Symbolizes a commitment to continuously improving quality education.

Blue Scanning Pattern

Represents the Potomac River.

Motto

Gives a clear scope and meaning to the entire symbol.

Cherry Branches

Symbolizes a commitment to harmony and peace among nations.

World

Symbolizes global reach, diversity and inclusion.

Rising Sun

Symbolizes the hope, brilliance and knowledge that derives from BAU.

Logo Clear Space

A protected clear space around the logo assures a greater visual impact.

To determine the ideal size of the free space, consider the height of the letter "A" in the word BAU around the primary logo. You can also apply this formula in the City-Integrated, Horizontal, Logotype versions.

Note that the amount of clear space will increase or decrease in proportion to the size of the logo.

Logo Scaling

< 100px / 2 inches

Size the logo according to the numbers shared.

Primary Logo: < 100px / 2 inches

City-Integrated Logo: < 150px / 2,5 inches

Horizontal Logo: < 130px / 2,5 inches

Logomark: < 50px / 1 inches

Logotype: < 100px / 2 inches

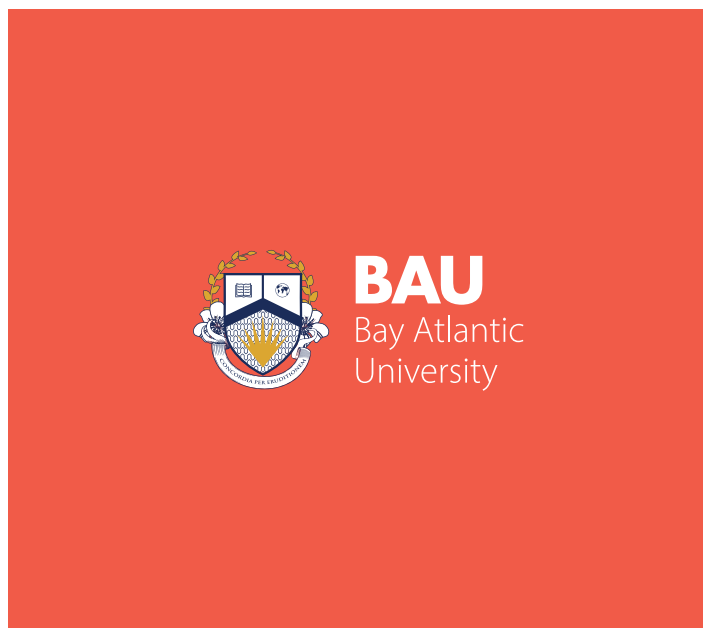

⊗ Do not distort the logo when sizing.

⊗ Do not use the logo by dimensioning it below the dimensions specified above.

Logo on Background

When using the Bay Atlantic University logo, pay attention to the contrast ratio between the background and the logotype color of the logo.

The colors of the logomark part of the logo should never be changed when used on the background. Considering the background color, white or atlantic blue colors should be preferred.

Black and White Logo Usage

White	#FFFFFF
CMYK:	0; 0; 0; 0
RGB:	255; 255; 255

Black	#000000
CMYK:	0; 0; 0; 95
RGB:	50; 50; 50
Pantone:	Black C

The Bay Atlantic University logo can be used in black and white in special cases.

For mourning days or colorless designs, a black and white version logo should be preferred. The black color should be used in line with the information above.

Incorrect Logo Usage

⊗ Do not distort the logo shape

⊗ Do not change the logo colors

⊗ Do not use the City-Integrated Logo without lines

⊗ Do not use the Primary Logo without the Coat of Arms

⊗ Do not use the logo in only one color

⊗ Do not use any missing element in Logomark

The Bay Atlantic University logo must not be modified in any way.

Using the logo in a consistent manner ensures the strength of the university brand.

Primary Typography Guideline

Futura PT

ABCDEFGHIJKLMNOPQRSTUVWXYZ

abcdefghijklmnopqrstuvwxyz

0123456789

Futura PT is the primary typeface of Bay Atlantic University.

Futura PT font family is one of the most important elements that form the design concept of Bay Atlantic University and the relevant font should be used dominantly in design actions. When preparing corporate identity materials, the relevant font should be taken into consideration first.

Futura is a geometric sans-serif typeface designed by Paul Renner and released in 1927. It was designed as a contribution on the New Frankfurt-project. It is based on geometric shapes, especially the circle, similar in spirit to the Bauhaus design style of the period.

Inter

ABCDEFGHIJKLMNOPQRSTUVWXYZ

abcdefghijklmnopqrstuvwxyz

0123456789

Inter is the secondary typeface of Bay Atlantic University.

Since the Inter font family has been developed in accordance with digital platforms, the relevant font should be preferred in digital media. However, it is appropriate to use the related font family in subheadings and long texts in print actions, provided that it is compatible with Futura PT.

Inter is an open-source sans-serif typeface designed by Swedish designer/programmer Rasmus Andersson. It was designed to work well on screens as a UI font and features a large x-height. The family is available in nine weights with matching italics, as well as a variable font version.

TRAJAN PRO

ABCDEFGHIJKLMNOPQRSTUVWXYZ

ABCDEFGHIJKLMNOPQRSTUVWXYZ

0123456789

Trajan Pro is the Tertiary typeface of Bay Atlantic University.

Since the Trajan Pro font family has a serif structure, this font should be used overwhelmingly in print areas, especially posters. Since lowercase letters do not appear effective in long texts, it is recommended to prefer the relevant font in titles.

Trajan is a serif typeface designed in 1989 by Carol Twombly for Adobe. The design is based on the letterforms of capitalis monumentalis or Roman square capitals, as used for the inscription at the base of Trajan's Column from which the typeface takes its name.

Jenna Sue

ABCDEFGHIJKLMNOPQRSTUVWXYZ

abcdefghijklmnopqrstuvwxyz

0123456789

Jenna Sue is the official typeface for Bay Atlantic University.

Since Jenna Sue has a fun and dynamic structure, it is appropriate to use the font family together with other fonts in designs that reflect the campus life of the university. The font should never be used in long texts.

Jenna Sue is a handwritten script face named after its creator. The desktop version of the font is available for free for both personal and commercial use, however, the webfont license costs \$10. The design does a nice job of appearing casual while still remaining legible.

Atlantic Blue and Golden Sun are the official colours of the university.

Atlantic Blue is one of the official colours of the university and is also one of the most important elements of Bay Atlantic University’s visual brand identity. Therefore, the colour is predominantly preferred in the design actions of the university. The related colour, which sheds light on the name of the university, takes its inspiration from the Atlantic Ocean.

The yellow tones of Golden Sun, another official colour, are derived from the BAU sun. Both visually and in terms of the association of the sea with the sun, the colour is in deep harmony with Atlantic Blue.

When using these two colours, the colour codes mentioned above should not be exceeded.

Guidelines:

- The official colors must be used for all components of the Bay Atlantic University logo.
- In designs, Atlantic Blue should be concentrated first and then Golden Sun.
- In design areas not covered by the CMYK color gamut, please consider Pantone color codes.

Secondary Colors Guidelines

Flamingo (Bachelor) #F15B47

CMYK: 0; 80; 75; 0
